Dear Dr Lavirotte

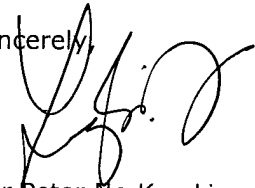

INVITATION TO VISIT TROPICAL MARINE SCIENCE INSTITUTE

We are pleased to invite you to Tropical Marine Science Institute from 22 June to 28 June 2011 to help us demonstrate to PUB the flood early warning system developed collaboratively as part of STIC Asia project.

We will provide you with accommodation and per diem allowance during your stay. All taxes incurred during your visit (if any) will be borne by us.

We look forward to your visit and wish you a pleasant trip to Singapore.

Yours sincerely,

f
